Sir,

Sub: Forest concessions - South Kanara District - Working - 1934- Annual report.

(۴)

With reference to G.O.No. 1054, Mis. Dev., dated 31st August 1933, I submit the following report on the subject of the withdrawal of concessions from Reserved Forests in South Kanara district:

2/ Mangalore North Division: Although the concessions were abused to a small extent - by destructive methods of cutting unclassified species and by cutting classified species for leaf manure and fuel - yet there was an appreciable improvement in the conduct of the villagers when availing themselves of the concessions. It is not therefore proposed to close any additional areas against the concessions for the present. In one reserve, (Halakkihola) however, the abuse was great and the Collector has undertaken to warn the villagers that unless they behave better the concessions will be withdrawn.

3/ Mangalore South Division: The concessions were much abused in the following reserves: (1) Kulanjimale (2) Kanakamjlu (3) Karadaka (4) Kaniarmale (5) Aivernad (6) Paikadamale and (7) Kiribag, (8) Narimogar (9) Bantaje (10) Muliyar. In these cases also the Collector has undertaken to warn the villagers concerned.

As

2/ As the following felled coupes have been brought under regeneration, I have approved the District Forest Officer's (F) proposal to close them against the exercise of the concessions in accordance with the orders of Government in G.O.No. 1054 Mis. Dev., dated 31-8-1933.

your direction given to the C.C.? in Fo. 1052 Dep'd 31.8.33 regarding the cases where Sylviculture interests necessitate the non-exercise of the concessions.

Para 2 of the C.C.F.'s letter refers to the cases closed to the exercise of the concessions for Sylvicultural reasons - i.e. for reasons other than abuse of concessions.

Our order on the S. Kanara Land Holders' Memorandum says, that withdrawal of concessions "on ground of abuse" will be only on specific sanction to be obtained from Govt.

As the cases now closed are not for reasons of abuse of concessions, the C.C.F. is in order in withdrawing the concessions. Please see also Fo 1004 of 31-8-33.
